

# I LOVE YOU, EARTH

I love you, Earth  
You are beautiful  
I love the way you are  
I know I never said it to you  
But I wanna say it now  
I love you, I love you, I love you, Earth  
I love you, I love you, I love you, now

I love you, Earth  
You are beautiful  
I love the way you shine  
I love your valleys, I love your mornings  
In fact I love you every day  
I know I never said it to you  
Why, I would never know  
Over blue mountains, over greenfields  
I wanna scream about it now

I love you, I love you, I love you, Earth  
I love you, I love you, I love you, now  
You are our meeting point of infinity  
You are our turning point in eternity  
I love you, I love you, I love you, Earth  
I love you, I love you, I love you, now
